

FAIRCHILD MANAGEMENT, LLC RULES AND REGULATIONS

This document sets forth the rules and regulations concerning residency at The Mark Apartments. These rules and regulations become part of the Lease Agreement and Contract. Unlike the terms and provisions set forth in the Lease Agreement and Contract, these rules and regulations are subject to being amended at any time without affecting the remainder of the Lease.

1. Fairchild Management, LLC is designated as the Owner's representative to supervise and manage the apartment project and to speak for the Owner on all issues concerning the Lease Agreement and Contract.

2. Office hours of Fairchild Management, LLC are 8:00 a.m. to 5:00 p.m. Monday through Friday. Emergency calls, any problem that is considered threatening to life or property, can be made after hours to 601-466-7872.

3. Maintenance policy: Please report all maintenance requests to the office within office hours, if possible. Maintenance personnel will make an effort to respond to your request same day as reported, but no later than twenty-four hours. Management asks that you restrict all after hours maintenance calls and weekend maintenance calls to **EMERGENCY CALLS ONLY**.

4. Keys: We provide you with two (2) door keys and one(1) mailbox key upon move-in; if you misplace a key, management will make a new key for a charge of \$2.00 per key.

5. Appliances: The following information is provided to help you get the best possible service out of your appliances. If you find that you do not understand how to operate an appliance, please ask management to help you. We are here to help. No appliance may be left in operation while the apartment is unoccupied. Do not leave home with any appliance operating.

Disposal: Please use the garbage disposal for small amounts of food only. Paper, metal, glass, bones, wax, or any solid items will cause the disposal to malfunction. One of the kitchen wall switches located near the sink operates the disposal. Run cold water into the disposal before and during the process. If the disposal will not start, press the red reset button on the unit underneath the cabinet; if that does not correct the problem, notify management.

Dishwasher: Please use detergent designed for dishwashers only. Do not let silverware collect in the bottom of the dishwasher. Please run the dishwasher only when you are in the apartment.

Microwave: Do not put metal in the microwave. If your microwave is not working properly notify management immediately.

Stove/Oven: The stove in your apartment should be self-cleaning. Please do not use any type of oven cleaner in the oven. If you do not know how to operate the self-cleaning oven, please notify management.

Washer: Use detergent designed for washing machines only. Do not overload the washer and remember to balance each load of wash to insure a proper spin cycle.

Dryer: Empty the lint filter located in the front of the dryer after each use. A dirty filter can cause the dryer to overheat and malfunction. It will also take longer for your clothes to dry which will use more electricity.

Toilets: Please do not place anything in the toilet that could cause the sewage line to be clogged. If the line becomes clogged and the toilet has to be pulled as a result of something being dropped in the toilet, the Resident will be held responsible for the charges. Resident is responsible to keep a plunger inside of apartment.

6. Filters: Management changes the filters on your a/c-heater unit. Preventive maintenance is performed during normal office hours.

9. Window treatment: Blinds are provided for all windows and no alterations will be allowed. The Owner's policy is that all windows have uniform appearance.

10. Painting & carpet cleaning: Each apartment is freshly painted and the carpet is cleaned upon move in. It is the Resident's responsibility to keep the carpet and walls clean during the lease term. With the signing of a one-year lease renewal, we will clean your carpet at no charge.
